Blues News
 September 2009

Avery exciting month we had in in August with the acclaimed **International star Glen Terry** visiting us at the Rockingham Hotel on the 29th. Glen was very well supported by our very own (WA) **Domenic Zurzolo**, recently back from touring Australia for the past 6 months. **.See inside for more information.**

Our **Jam Nights**, come open mic, what ever you wish to call them, are producing some great acts that we're all hoping to see come back and entertain us regularly.

The quality has even surprised yours truly and I feel so many

people are missing out as they are yet to hear about these sessions going on down at the "Rocky" nowadays. So ensure you tell your friends and neighbours that there is some good things happening that they should be involved in. **See page 2 for more information.**

The Committee are busy planning more events for the next 12 months (see page 5) so keep a sharp eye out for the advertising relating to them. Better still become a member and be where it's at and learn first hand what's going on in your Club. **Back page has an application form. Join Now!**

Glen Terry

Well, what a fantastic night we had when we were visited by the most entertaining GLEN TERRY. Glen performed some great music along with some fine showmanship at The Rockingham Hotel and it was, by far, one of our best nights for a long time.

He was well supported on stage by Hans Deberitz on Bass, Ryan Brewer On Drums and special guest Mal on Saxaphone.

WA's own Domenic Zurzolo performed some of his numbers from his various albums and again entertained us all like the true professional he most certainly is.

Keep an eye out at our Jam nights... Domenic is likely to turn up to give us some thrills on his other guitars.

A special thanks to Tristan & David for providing top quality sound for the evening.
